

Lily Allen
The Fear

Songwriters: Lily Allen, Gregory Kurstin

I want to be rich and I want lots of money
I don't care about clever I don't care about funny
I want loads of clothes and truckloads of diamonds
I heard people die while they are trying to find them

And I'll take my clothes off and it will be shameless
'Cause everyone knows that's how you get famous
I'll look at the sun and I'll look in the mirror
I'm on the right track yeah I'm on to a winner

*I don't know what's right and what's real anymore
I don't know how I'm meant to feel anymore
When do you think it will all become clear
'Cause I'm being taken over by The Fear*

Life's about film stars and less about mothers
It's all about fast cars and passing each other
But it doesn't matter cause I'm packing plastic
and that's what makes my life so funky-fantastic

And I am a weapon of massive consumption
and its not my fault it's how I'm programmed to function
I'll look at the sun and I'll look in the mirror
I'm on the right track yeah we're on to a winner

*I don't know what's right and what's real anymore
I don't know how I'm meant to feel anymore
When do you think it will all become clear
'Cause I'm being taken over by The Fear*

[Bridge]

Forget about guns and forget ammunition
Cause I'm killing them all on my own little mission
Now I'm not a saint but I'm not a sinner
Now everything is cool as long as I'm getting thinner

*I don't know what's right and what's real anymore
I don't know how I'm meant to feel anymore
When do you think it will all become clear
'Cause I'm being taken over by The Fear*
